OUR CRAFT EXPERIENCES

Every craft is more than just an activity - it's an experience. Our projects are designed to be meaningful, engaging, and beautiful - something your guests will be proud to take home. We don't just set out materials - we lead each child through a guided, age-appropriate process that builds confidence and sparks creativity. From painted canvases to magical fairy gardens, our crafts are thoughtfully curated to feel exciting, fun, and elevated, a true Cherry on Top .

We offer two tiers of crafts - Standard and Premium - so you can tailor your party to match your budget and your aesthetic.
