CITRUS FLAVOR GUIDE 2026

Lemons & Limes

Variety	Flavor Profile
Meyer Lemon	Mildly tart, slightly sweet, with a subtle floral flavor. Less acidic than regular lemons.
Eureka Lemon	Classic lemon flavor, very tart and acidic. Excellent for cooking, lemonade, and baking.
Mexican Lime	Small, juicy, highly acidic, with a strong, aromatic lime flavor.
Bearss Lime	Refreshingly tart, juicy, and slightly less intense than Mexican lime.
Pink Lemon	Tart, traditional lemon flavor with a slightly milder taste when fully ripe.
Seedless Lemon	Bright, tangy, classic lemon flavor without the inconvenience of seeds.
Sweet Lime	Mild, low-acid flavor with gentle sweetness. Much less tart than regular limes.
Thornless Lime	Tangy, refreshing lime flavor similar to traditional lime varieties.

Mandarins & Specialty Citrus

Variety	Flavor Profile
Gold Nugget Mandarin	Exceptionally sweet, rich, and juicy, with very little acidity.
Clementine	Sweet, juicy, and mildly tangy with a refreshing citrus flavor.
Tango Mandarin	Very sweet, juicy, and rich in flavor with a pleasant balance of acidity.
Daisy Mandarin	Rich, sweet-tart flavor with a bold citrus aroma.
Minneola Tangerine	Juicy, bold, and tangy with a balance of sweetness and acidity.
Nagami Kumquat	Sweet, edible peel with a tart, sour interior. Usually eaten whole.
Indio Mandarinquat	Sweet, aromatic peel with a tangy, tart interior. A unique kumquat-mandarin flavor.
Kishu Mandarin	Exceptionally sweet, juicy, and mild, with very low acidity.

Oranges

Variety	Flavor Profile
Valencia Orange	Sweet, juicy, with a refreshing balance of sweetness and acidity. Excellent for juicing.
Washington Navel	Very sweet, juicy, and mildly tangy. Excellent for fresh eating.
Powell Navel	Rich, sweet, and juicy with low acidity. Excellent for fresh eating.
Shahani Red Navel	Sweet, juicy orange flavor with mild acidity and a rich citrus taste.
Cara Cara Orange	Exceptionally sweet, low in acidity, with subtle berry-like notes.

Flavor descriptions reflect typical characteristics of each variety. Actual sweetness, acidity, and flavor may vary depending on ripeness, growing conditions, and harvest season. The descriptions are general horticultural information, not information supplied by the original variety flyer.

Cutter Valencia	Sweet, juicy, classic Valencia orange flavor with balanced acidity.
Moro Blood Orange	Rich, sweet-tart flavor with distinctive berry-like notes.
Sanguinelli Blood Orange	Sweet, slightly tangy, with subtle berry undertones.
Tarocco Blood Orange	Very sweet, juicy, and mild with a delicate berry-like flavor.

Grapefruit

Variety	Flavor Profile
Rio Red Grapefruit	Sweet-tart, juicy, with a mild grapefruit bitterness.
Oro Blanco Grapefruit	Exceptionally sweet, mild, and low in acidity with very little bitterness.
Redblush Grapefruit	Refreshing sweet-tart flavor with traditional grapefruit tanginess and slight bitterness.
