Re: Ira STP CULV(124) – Bridge 14 on VT Route 4A over Ira Brook

Dear Selectboard,

The Structures Section will be holding a Regional Concerns Meeting for the above-referenced project. The meeting will be held on Tuesday, June 20th, beginning at 6:00 PM during the regularly scheduled selectboard meeting at the Ira Town Offices, located at 53 West Road in Ira, VT.

The project Scoping Report can be viewed at the following web site:
<https://outside.vermont.gov/agency/vtrans/external/Projects/Structures/23B029>

This bridge is part of the State Highway Bridge Program and therefore will not require Town funding. If a representative from the Town would like to attend this meeting, we welcome your comments.

Please note that our recommendation for this project will be to maintain traffic on an off-site detour while the bridge is replaced.

If you have any questions, comments or concerns please feel free to contact me by email at Laura.Stone@vermont.gov or by phone at (802) 917-4996.

Sincerely,

Laura J. Stone, P.E.
Structures Scoping Engineer
