Business and Administrative

TOPIC	DISCUSSION	RESOLUTION
Select Board – Highway Business	Summer roads strategy	DHP will repair the ground screen to screen the sand/salt mix. Not going to use the screen that goes on the truck. David and Nathan will see that the trees get cut for the new power to the town garage. David and John will coordinate with Casella's to haul gravel for the West Road between Pietryka's and Perry's. If Casella's can not haul the gravel the hauling cannot exceed what Casella's is charging. John is going to haul the gravel with the town truck for Fish Hill Road and Middletown Hill Road. The material is to come out of Casella's pit in Clarendon. The total gravel used and trucking is not to exceed \$8000 or eighteen loads. Nathan will check with Karen about using money for ditching for more road material. Discussed with John and David the putting up of signage when grading and doing road work. Bob will talk with Christopher Thompson about dumping chips near the town road. Discussed having an article at the town meeting to pave from Route 133 to the town office and finish paving the town office parking lot.
