Music Education Supporters,

We are excited to announce sponsorship opportunities for this school year's public music education events and initiatives offered through the Hillsborough County Elementary Music Educators Council (HCEMEC) in close partnership with Hillsborough County Public Schools (HCPS).

### Our Organization

The HCEMEC is a **501C non-profit** organization formed by the Elementary Music Teachers of HCPS in order to provide greater opportunities for musical growth and development for **all** students in Hillsborough County, Florida.

### How We Serve

The HCEMEC provides several programs to enrich the music education of elementary students in Hillsborough County throughout the year. HCEMEC supports teachers and students through the purchase of **instruments, curriculum materials, teacher professional development, and grant funding**. HCEMEC also enriches student learning through **community performance opportunities** at events including the district-wide Fine Arts Festival, Young Songwriter's Symposium, and Music Will Spirit Nights.

### Your Support

The HCEMEC relies on sponsorship funding to provide greater opportunities for musical growth and development for all children in Hillsborough County, Florida. The additional events and resources provided to HCPS music teachers and students would not be sustainable without your support.

### Become a Sponsor

If you and your organization are interested in supporting local music education initiatives in Hillsborough County, please review the Sponsorship Levels page attached to this document. There you will find information on donating and associated sponsorship benefits.

Thank you for your support of our local Music Education Community!

Sincerely,  
Jonathan Casañas  
President - HCEMEC
