New Book Release

May 10, 2024

What readers are saying:

I took a deep breath as I prepared to read *Preparation and Renovation*. I knew it would be a blessing to my marriage, but I also knew that Elder Cliff, being a true man of God, would inspire me to examine myself individually, too. I read each chapter with great attention and understanding. The material is conveyed in an easy-to-digest format. Elder Cliff's tone is not judgmental, and his use of Bible verses is appropriate. His love for God, people, and marriage is evident in every chapter. This book is an excellent practical guide for individuals and couples seeking a Godly marriage!

—Casey Mitchell and Dorothy Hairston Mitchell, District Court Judge

Pastor Powell has not only produced a "must read" wealth of vital information for both marrieds and singles; but practical, scriptural, biological and HUMOROUS material for analogy and study. This is one of the best tools on the market for counseling.

—Dr. Syvilla Pristell, Maxwell Certified Leadership Team Coach

Pastor Powell takes a deep dive into the scriptures to share a fresh perspective of the biblical foundation for relationships and marriages. You may laugh and you may cry, but you WILL definitely be enlightened.

—Pamela Kelly, DHA, AWMTT Book Project Manager

Clifton L. Powell is a pastor, prophet and teacher of the gospel of Jesus Christ who has a strong passion for ministering to families and marriages.
