

# Have a community but lacking affordable retreat options?

What if your most transformative client work happened in spaces designed for presence, not performance?

Maiden Explorations curates destination containers where coaches, healers, and wellness practitioners can facilitate breakthrough experiences without the overhead of retail space or retreat center ownership

## Global Destination Containers

You control the container size for your immersive work. Protect your profit margin, grow & scale!

## Break Bread Together

Build stronger community with sacred food preparation. Full Kitchen, Dining and Living Rooms

## Learn, Experience & Grow

Bring your medicine and healing spirit to people around the world.

## Create Immersive Experiences

Create Rest, Recharge and Relaxation as you help others Learn on schedule. All in One Beautiful Place.
