

MESSAGE FROM KRISTIN

The month of June we celebrate our fathers, our grandfathers, stepdads or other fatherly figures in our lives.

When we think of our earthly fathers, we should have something to remember of a reflection of our Heavenly Father that they showed to us at one time or another, and I hope and pray that all of you do have this positive example.

In studying about our Savior's character and ministry, I always wondered why in Isaiah 9:6, Christ is mentioned as 'the everlasting father,' since He and His Father are described as separate individuals in scripture. One reason is that this term expresses Jesus's divinity. And included with His divinity, Christ says in John 10:30, I and My Father and I are One and also in John 14:9, "he who has seen Me, has seen the Father."

Jesus is one with His Father and He cares for us as His Father does. His ministry and His life reflected the everlasting love of His Father for His children. When He asked the rhetorical question, "who are my mother and my brothers?" He says in the next verse, Matt 12:50, For whosoever shall do the will of my Father which is in heaven, the same is my brother and sister and mother.

We as His followers, let us demonstrate more of this same selfless love and care for one another as Jesus did. We can be sisters, and brothers, and mothers and fathers to those around us who do not have one or need a Christlike example of one. And, as God has promised us in 2 Corinthians 6:18, I will be a Father to you and you shall be My sons and daughters!

Kristin**

YORK PRAYER WARRIOR

BY DALE COOK

Now faith is the confidence in what we hope for and assurance about what we do not see. (Heb 11:1) Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear. (Heb 11:3)

Our prayer life is the most important weapon we have at our disposal to combat evil in this world we live in. We may not have committed the original sin that caused the mess we are in but we are guilty by association. We are born in sin and have to learn to trust in God through prayer and much supplication.

I'm far from being the one qualified to tell another about their prayer life, but I am qualified to humbly ask for each one of you to come together in prayer for one another. We are but a weak and broken vessel alone in prayer. We become strong together in prayer.

Our church has a fasting prayer Tuesday from 7 - 7:30 each week. I know some of us do not have a computer or any way to join us via Zoom but please take the time to stop what you may be doing and spend time on your knees pleading with God on your family's behalf. We have many church and personal family members who are afflicted with serious disease/sickness. We need all hands on deck asking God's favor.
