BAPTISM GOD BRINGING HIS PEOPLE CLOSE

WELCOMING OUR FAMILY

GOD IS MOVING IN THIS PLACE

It is always a Happy occasion to see Gods Kingdom grow, to see another give their life to the Lord, or to re-dedicate their life and purpose. This month again it is our privilege to witness such an act. God is moving. Lord fill us with your Holy Spirit that we may be a light to a lost world.

JAMES LANCE

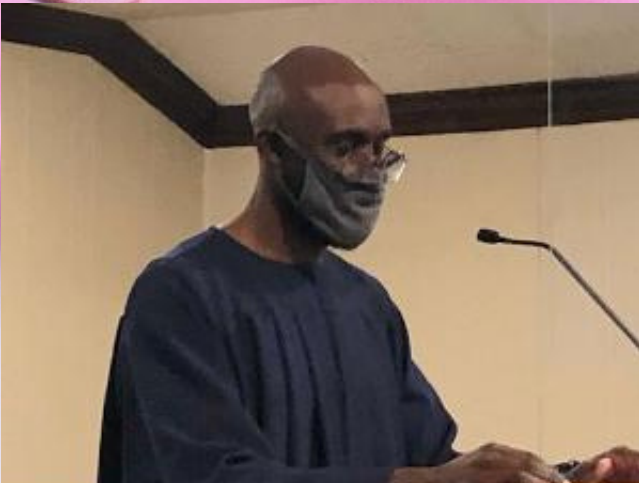

**The Lord has been working with Jim for a few month's now, convicting him and bringing him closer. Jim has always seemed to have a place with the Lord and a calling, but now I believe the Lord is calling him to a deeper personal level. The tears he has shed in my experience has been a cleansing from the inside out. We are Thankful for Brother Jim and his conviction for re-dedication to our Lord
Your Journey is inspiring**
