TO: USTA Adult 18 & over Adult League State Tournament Team Captains and Players

RE: Team Captains and Players

On behalf of the Louisiana Tennis Association, we would like to thank you for your participation and patience during the Adult 18 & Over Championships hosted by the Greater Baton Rouge CTA the weekend of June 4-6, 2021.

It was unfortunate that the tournament was forecast for rain every day of scheduled matches. We are all aware of the frustrations this creates for the tournament staff, players and host CTA, however it is the intention of the tournament committee to play as much tennis on court as possible and follow the rules and regulations established by National, Sectional and State authorities.

It is never the wish of any tournament to have to resort to drawing names out of a hat to determine the winners, however for circumstances such as the weekend of the Adult 18 & Over Even levels, this is precisely why we have these regulations spelled out in our Championship Procedures. All participants that sign up to participate at the state championships check a box on the player registration form stating they have read the USTA Louisiana Championship Procedures and Amendment. This is to ensure that all participants know in advance how Louisiana will manage the championship.

We appreciate your support of the USTA Adult League Program and know that USTA Louisiana reviews the State Regulations and Championship Procedures every year to improve our League and Championship experience.

Sincerely,

Jay Boyd  
LTA President
