For each team match, a majority of the individual matches must actually be played to constitute a valid team match. The following procedure should be used when the combination of individual match defaults given by the two teams in the team match results, or would result, in a situation where the majority of the individual matches would not be played.

The first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, that can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards.

If both captains cannot come to an agreement on what individual matches will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played:

<u>Format</u>	<u>Required Matches in sequential order</u>	<u>Minimum # of Players Required for Each Team in Valid Team Match</u>

2.01C(4) Match Scoring and Formats

- **Match Scoring format** - It is recommended that all matches be the best of three tiebreak sets with a match tiebreak in lieu of a third set. The match tiebreak shall be scored as one set and one game for tiebreak purposes. For play at or below the Sectional level, the Sectional Association may authorize the use of other USTA approved scoring methods and other scoring methods that are compatible with the USTA NTRP Computer Rating System
- All matches shall be the best of three tiebreak sets with a set tie-break at 6-all. In the event of split sets, a match tie-break (10-point) shall be played in lieu of a third set.
- A two-minute set break with no coaching allowed.
- The Coman tiebreak procedure shall be followed in all tiebreaks.
- The team winning the majority of the individual matches shall be awarded one team point.
 - For a 4-court match: If tied 2-2, the tie shall be broken by the first of the following methods to do so: a) least sets lost; then least games lost; then game winning percentage; then winner of 1st court doubles.
- If a Local League has a playoff, championship procedures must be used in the event of a tie. Please refer to national regulation 2.03H. At the end of the Local League Season
- In the event of a tie, the tie shall be broken by the first of the following procedures that does so: Winner of the most individual matches (courts); then winner of Head-to-head; then least sets lost; then least games lost; then highest game winning percentage; then a coin toss.

2.01C(6) Team Lineups The team captains shall exchange their lineups simultaneously prior to the start of team match. No substitution may be made in an individual match after the lineup has been presented, except for injury, illness, or no-show of a player prior to the start of an individual match. A team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. The substitute player is entitled to a five (5) minute warm-up. A player's name must be listed on the team roster, as shown in TennisLink, prior to participation in any match.

2.01C(6)c Rescheduling Matches due to Inclement Weather: A match will be rescheduled if the wind chill is below 35 degrees one hour before the match is scheduled to begin, or if the courts are unplayable due to weather related causes (rain, snow, sleet, etc.), one hour before the match is scheduled to begin, as determined by the Head or Assistant Tennis Pro at the host facility. It is the responsibility of the hosting team's Captain to contact the Tennis Pro at the Host site to determine playability AND notify the Visiting Captain 1 hour before the match is scheduled to begin if the Match is to be rescheduled due to wind chill or weather. Cancelled matches cannot be rescinded.

When determining weather, related to a match cancellation, go to www.playtennisb.com and click on **CHECK THE WEATHER** located on in the center blue of the homepage. You must enter the **host facility zip code**. This can also be found on the website by clicking **Clubs and Facilities** on the home page. This will be the universal weather source used by local facilities and pros.

Rescheduled matches should be scheduled and played within 2 weeks of the originally scheduled match and must be completed prior to the state deadline date. Both captains are responsible for ensuring matches are completed. If a match is not made up two weeks prior to state deadline date, a league administrator may schedule the match. The host captain is responsible for cancelling the courts for the originally scheduled match and reserving courts for the rescheduled match at the facility where the match was originally scheduled. It is recommended the details for all rescheduled courts be documented in writing/email (i.e., date/time) between the 2 captains. Once both captains agree on make-up date(s) and times, it is considered a scheduled match and default principles shall be applicable. In the event of continuous inclement weather, which causes make-up matches to back up, the pro may make a decision to allow matches to be rescheduled at sites different from the originally scheduled site. If this decision is made, the pro will notify the local league coordinator. The host team will be responsible for any extra court fees due to change in location. When rain or inclement weather forces the cancellation and re-scheduling of a team match, line-ups would stand only for those individual courts that have already started (first serve attempt) their match. All other individual courts, even those that were in warm-up may be changed including defaulted courts.

Under Special Circumstances - If both captains agree, a match may be rescheduled with the approval of the local league coordinator. It is recommended to reschedule the match at least two weeks prior to the end of the season.

Known Defaults- In the spirit of good sportsmanship and fair play, it is **recommended** that the opposing team should be advised of a known default as soon as it is known and before players are driving to the match. If a captain fails to inform the opposing captain of a known default, a warning could be given and/or the Local League Council could file a grievance against the captain.

2.01C(5)c(i) Rescheduling of Matches - Advancing Teams. A Local League match shall be rescheduled upon request if 50% of the minimum required players for the match are registered players on a team attending a National, Sectional or State Championship (See Chart Below). Consideration will be given for appropriate travel time to the Championship. All scheduled courts not affected should be played as scheduled. It is recommended to reschedule matches prior to the originally scheduled date and the two (2) week make-up regulation will apply.
