

Appeal League NTRP Rating

Please review the following points before proceeding to the steps below to appeal your NTRP year-end rating or Self-rating:

- If you **do not see** the option to Appeal Rating Level, this means you will need to complete a NTRP [Leagues Self Rate](#)
- USTA Section League Coordinators review self-rate appeals once they are submitted. The approximate turn around time is **3 weeks**. You will receive an email once a decision is made
- Before you attempt to appeal, **please make sure you are using a supported browser and your browser is ALLOWING pop-ups from TennisLink**. We recommend the use of Firefox, Google Chrome, Safari and Internet Explorer browsers

Auto-appeals of Year-End Computer ratings:

- Once submitted you will receive an instant decision based on the National criteria and guidelines. If your rating meets the criteria it will be granted; if it doesn't it will be denied
- Granted appeals **cannot be reversed**. Do not submit an appeal unless you are sure you want to appeal
- If your auto appeal is denied, there is no further appeal that exists. Medical appeals cannot be filed to move **UP**. If your appeal **DOWN** is denied the only other possible appeal is to submit a medical appeal if you have a permanently disabling injury that occurred after your league play was complete
