OLD SCHOOL'S STORY

Old School Sandwich Company has been in business since 2012. We thrive on giving the highest quality ingredients, welcoming customer service, and exciting new sandwiches unlike any in the Valley.

Chef Mike Geary prepares and cooks all his meats in house after they were marinated, brined, or braised for days. His meats are like no other because he hand-picks them from some of the finest cuts and butchers them himself. There are no preservatives used at all; just the freshest ingredients and the finest techniques that he has learned over the past 30+ years. In addition to his extensive culinary experience, Chef Mike has won several Iron Chef Awards and has been highlighted numerous times on the *Sunrise in the Morning* television show.

If you're looking for high quality meats, cheeses, salads, soups, and a friendly staff, look no further than Old School Sandwich Co. We promise you will not be disappointed!
