

Full Council update: road charging motion and General Fund

At the last Full Council meeting on 30 November, I put forward a motion that stated: "This Council is opposed to any form of road charging in Cambridgeshire." This however was voted down.

I am extremely concerned that road charging in Cambridgeshire is still being actively pursued, despite the fact that residents have firmly spoken out against it.

I will continue to convey my opposition to road charging – which would be an unfair additional blanket cost to Cambridgeshire residents.

I voted against rolling over funds in relation to the General Fund, which included the continuation of the £1 million budget to spruce up the council offices – given a £2 million overspend this financial year I felt this was an avoidable and unnecessary cost. I believe more money should be going towards benefitting residents, rather than be spent at the council.

Civil Parking Enforcement in South Cambs

Parliament has given Cambridgeshire County Council new Civil Parking Enforcement powers, which will include South Cambs.

The scheme will officially come into effect on 19 December. A Warning Notice will be issued to people who continue to park in restricted areas throughout January – this looks like a parking ticket but there is no fine attached. Penalty Charge Notices will then be issued from 1 February, resulting in fines between £50 and £70 depending on the severity of the offence.

We are encouraging people to always check signs and notices in the area where you are planning to park. Parking restrictions are there for a reason: to ensure maximum safety for everybody. Please do think carefully about where you park, as these new powers mean you're much more likely to be fined for parking where you shouldn't.

Support for residents over Christmas

Christmas can be a difficult time for some, so we want to make sure that those struggling have the support they need.

You can find information on the council's website to get [financial support](#) or [mental health support](#). Please don't suffer in silence. There is always help here at the council if you need it.

Thank you for reading my report. If I can be of any assistance, please do get in touch. I wish you, your family and friends a Merry Christmas and a happy 2024.
