EMIC HOME CARE SERVICES IS A HOME CARE PROVIDER FOR MEDICALLY FRAGILE CHILDREN. EMIC IS A GAPP PROVIDER.

WHAT IS

PERSONAL HOME CARE?

HOME CARE

Personal home care services provide individuals with essential companionship and assistance with daily activities. Unlike “home health care,” you don’t need a doctor’s prescription. Services can be provided for a few hours a day up to 24/7 care. Our In-Home Nursing Program services medically fragile children, under 21 years of age.

How Home Care Works

In home care enables your loved one to live at home in familiar surroundings relieving you of worry and stress, while professional caregivers help them with daily tasks they need to maintain the independence they desire. A home caregiver delivers services that include: Medication administration, Household chores, Errands, Bathing, Dressing, Meal preparation, Personalized, 1-on-1 care, And more...

GEORGIA PEDIATRIC PROGRAM (GAPP)

GAPP (Georgia Pediatric Program) is a [Medicaid](#) program that provides services to medically fragile children in need of skilled nursing care with [NO COST](#) to the family. Services are provided in their homes and communities. GAPP Services come at [NO COST](#) to members of [Medicaid](#) or [Katie Beckett](#). The Katie Beckett Waiver takes the parent’s income out of the picture and bases the decision on the child’s needs.

SERVICES

We provide Skilled Nursing Care, Personal Care Assistance, ADL Services, Mobility Assistance, G-Tube, Catheter Care, Respiratory Treatment, catheter care, and Much More
