

# NEW LEAF WORKSHOP: THE RIGHT TOOL FOR THE JOB

Each website and database has its own genealogical offerings. Knowing the right site for your particular research needs will save you time and frustration. Sylvia will help you pinpoint which site, or sites, will help advance your research. This is a workshop course and can be one or more hours based on your group's needs.

**SEPT. 14TH**  
**10AM-12PM**  
**ADULTS**
