Power Hours - What Are They?

Power Hours are international zoom meetings held every second Tuesday of every month at 7:00pm EST. A zoom link is emailed to all Pilot members the Monday before the Power Hour. This year President Nicki has tried something a bit different. Instead of hearing the Executive Committee over and over, this year the 19 District Governors will be presenting topics that they have chosen with help of their DACs. August's Power Hour was very successful. The topics were Successful Share Pilots and the Importance of Selecting a Club Ambassador. **September 10** is the September Power Hour and the **Northeast Potomac** and Bahamas Districts are presenting. Our very own **Gina** will be helping to present our topic - Mentoring New Members with our mentoring packet. Then the Bahamas will present A Heart for Service. Let's show our support for Gina and the District by zooming in on September 10! Mark your calendar and save that link when you get the email.

Future Topics -

October - Keys to Successful Pilot Meetings and Making Pilot Meetings More Fun

November - Conference and Planning for All Districts

December - Caring for Our Community and TBD

Can you spare an hour on a Thursday morning? We need help with Meals on Wheels from 10-11am. Please call Gail if you can help.

International Awards

Pilot International Awards are divided into three levels based on the size of the club. The Pilot Club of Central Pennsylvania is in the Green Level which has 26-40 members. We were honored with first place for the Outstanding Community Service Award and first place for the Pick Me Up Project Award. Congratulations to us!

We were also acknowledged in the Donor Recognition as a new member of the Emerald Club. These are members, clubs, or districts that have donated between \$5,000-\$9,999. Lisa Palmquist was honored as a member of the President's Circle and the Honor Wall. Again, congratulations!

Back to School Event at Clipper Stadium

Wow! What an event! Lisa knew to expect hundreds of attendees, so we went fully prepared with 90 helmets, most in small and medium, and Gerald Giraffe coloring pages. Marty and Missy manned the screening for helmets and spread the word about the importance of wearing helmets. Kortnee measured heads. Lisa, Gina, and Christina fitted helmets. It was a well-oiled machine and before we knew it, Kortnee announced we were out of helmets! The event started at noon and was to end at 2:00 or 3:00, we weren't sure. But we made it to 2:40pm! Not bad! A very successful event! Thank you to those that helped.

Leadership Grants

Did you know that there is money that you can apply for to help pay for registration fees and other costs for District Workshop and Convention, as well as International Convention? Well, there is. It's called a Leadership Grant. All you need to do is get an application from Dora, complete it, and return it to Dora. There is a small committee that reviews your application for approval. Funds come from donations and the yearly sub sale.

Please remember to have your individual service hours counted to log in at the club meeting. If you will not be at meeting, please notify Lisa and let her know your hours.

Upcoming Fundraisers

Jams and jellies are in the works. We have strawberry and peach available now. Pineapple Jalapeño and Hot Pepper will be available in September. The pint jars are \$6.50 or 3 for \$16. Proceeds fund our Operating - Education budget, which pays for our officers to attend District and International Conventions. **Chicken Corn Soup** is coming up very soon and we need all hands on deck! We make over 500 quarts! Mark your calendar for November 8. This soup sells itself and return customers often buy extra quarts the second time. Encourage this as the soup freezes very well! Proceeds from the chicken corn soup also go toward the Operating - Education. The NEW fund raiser, **Puzzle Competition**, is explained in its own article.

Thinking of You

Introducing.....

Our First Puzzle Fund Raiser

Teams of up to four members will compete to complete identical puzzles within a two hour period. Tickets are \$25/member and the event will take place Sunday, September 29 from 1:00-4:00pm at the Salem Church, 140 N. Penn St., Manheim. All proceeds will go to providing bicycle helmets for children. We have donated hundreds of helmets this year and we need more! There are several fall events coming up.

What can you do to help?

Post a poster. Sell a team of tickets. Find one puzzle lover - they'll probably find their own team for you! We also are supplying light refreshments that can be donated. Finally, we will have a basket raffle of 5 baskets. If you have a great idea for one, see Lisa.
