Northeast Potomac District Workshop

The Northeast Potomac District Workshop will be held on **Saturday, November 2** at the Cedar Crest College in Allentown, PA. Registration cost is \$44 and includes lunch. The day will be filled with opportunities to grow your leadership skills, Pilot knowledge, and friendships. All that for \$44 with lunch! The workshop starts Saturday morning at 9:00am and is scheduled to finish at 4:30pm. Come with money! Clubs will set up their wares at Marketplace starting at 7:00am on Saturday. It is a great way to do some Holiday shopping and support other clubs. If you decide to wander up Friday night, there will be a get together from 7-9pm at the College as well. Hotels are available in the area. See Dora or Gina for a registration form. Deadline: October 20.

Power Hours - What Are They?

Power Hours are international zoom meetings held every second Tuesday of every month at 7:00pm EST. A zoom link is emailed to all Pilot members the Monday before the Power Hour.

October - Keys to Successful Pilot Meetings and Making Pilot Meetings More Fun

November - Conference and Planning for All Districts

December - Caring for Our Community and TBD

Can you spare an hour on a Thursday morning? We need help with Meals on Wheels from 10-11am. Please call Gail if you can help.

Leadership Levels of Pilot International

Pilot International's highest level of volunteer leaders make up the PI Executive Board. There is a President, President-Elect, Vice President, Secretary, Treasurer, and four Directors. Not only do they oversee the volunteer side of PI, but they are responsible for the six staff members that work at PIHQ (PI Headquarters); Will Butler (Chief Operating Officer/Director of Events), Lia Smith (Bookkeeper), Joanna Kotlarski (Membership Specialist), Neil Barker (PI Founders Fund Specialist), Mallory Morgan (Anchor and Youth Development Specialist), and Molly Wilkins (Communications Specialist).

The next level of leaders is the district level. There are 19 districts in Pilot International. Each district is governed by a District Administrative Council (DAC) or a District Executive Council (DEC). We are in the Northeast Potomac District, which presently has clubs only in Pennsylvania and New York, and we are governed by a DAC which is a Governor, Governor Elect, Secretary and Treasurer. Larger Districts have Lt. Governors. Each year a member of the PI Executive Committee is assigned to a district as their Executive Committee 'Representative (ECR).

Finally, there is club level leadership. The club is led by a President, President Elect, Secretary, Treasurer, and a unspecified number of directors as an Executive Board. We have the immediate past President preside as the head of the directors and then we have four directors that serve two years and two rotate off each year so that there are always two seasoned directors on the Board.

Leadership Grants

Did you know that there is money that you can apply for to help pay for registration fees and other costs for District Workshop and Convention, as well as International Convention? Well, there is. It's called a Leadership Grant. All you need to do is get an application from Dora, complete it, and return it to Dora. There is a small committee that reviews your application for approval. Funds come from donations and the yearly sub sale.

Please remember to have your individual service hours counted to log in at the club meeting. If you will not be at meeting, please notify Lisa and let her know your hours.

Fundraiser Update

Jams and jellies are in the books. We still have strawberry, peach, pineapple jalapeño and hot pepper available. The pint jars are \$6.50 or 3 for \$16. Proceeds fund our Operating - Education budget, which pays for our officers to attend District and International Conventions.

Butter Braids are for sale now so they may be delivered in time for the holidays. The pre-order is due to Joan McIntosh by October 21 and delivery will be at the Centerville Diner parking lot on October 28.

Chicken Corn Soup

Well, it's that time of the year! Chicken Corn Soup season. The corn has been waiting patiently in the freezer for its big moment! Quarts are still \$10. We make over 500 quarts, so please make every effort to be available **November 8**. We need you! There will be an opportunity for those that work to prep some vegetables and chicken ahead of time. Watch for the Sign Up Genius soon. Encourage new customers to buy 2 quarts; share with them that we have return customers that buy at least two the second time around. The soup freezes very well for a year. Proceeds from the chicken corn soup go toward the Operating - Education. PreOrders are due November 1 to Lisa.

BINGO

Bingo tickets are available for **November 22** at the Columbia Fire Hall. Sign Up Genius will be coming soon for donations. Remember you receive a free ticket for a donation. See Dora.
