Amazing! 580 Children in Three Hours!

Eight of us braved the Route 30 traffic (it was closed due to the Rt. 222 and 30 interchange construction) and traveled to the Overlook Park in Manheim Township on the beautiful, breezy Saturday, October 26 to participate in the Manheim Township Police Department's Trunk or Treat. We treated 580 children with BrainMinders booklets and a packet of Entemann's Little Bites muffins. Daniella secured 560 packets of muffins as a donation! We distributed and fit 74 helmets! It would have been more, but we ran out of small helmets in just 45 minutes! It was an awesome event and all involved were invigorated by the day's event!

Club Membership Team

Pilot International's Club President's appoint four positions: PIFF Representative, Historian, Parliamentarian, and Inspirational Leader to makeup their Club Membership Team. The Pilot International Founders Fund (PIFF) is the funding source of the scholarships and grants that are distributed to clubs and students. The PIFF Rep is responsible for getting the word out about the grants and scholarships, editing scholarships for submission, and encouraging the club to be a 250 Club (\$250 is donated to the Fund). The Historian is responsible for documenting the happenings of the club of that year. Many clubs used to create scrapbooks, Now many clubs, like ours, have the Historian document with photos uploaded on Facebook. The Parliamentarian is sure that all of the PI Bylaws, Policies and Procedures, District Standing Rules and Policy and Procedures, and the Club Standing Rules and Policy and Procedures are all followed, She also needs a firm knowledge of Robert's Rules should something come up that is not addressed in any of our Bylaws or Rules. Finally, the Inspiration Leader is to provide an inspirational message at the beginning of each club meeting. Messages should be nonsectarian. She is also responsible for sending the District Inspirational Leader names of members that have serious illnesses, injuries, surgeries, or the death of members. If asked to serve as one of these appointees this upcoming year, please consider getting involved with our club. It takes all of to make the club successful.

Since July 1, we have distributed 239 bicycle helmets!

Please remember to have your individual service hours counted to log in at the club meeting. If you will not be at meeting, please notify Lisa and let her know your hours.

Fundraiser Update

Jams and jellies are in the books. We still have some strawberry, peach, pineapple jalapeño and hot pepper available, but hopefully they will be gone after District Workshop. The pint jars are \$6.50 or 3 for \$16. Proceeds fund our Operating - Education budget, which pays for our officers to attend District and International Conventions.
