# 2026/2027 Brochure

## ABOUT ME

---

Hi! i'm Jess, a freelance illustrator based in NI. I have a background in animation & fine art, and my passion lies in illustrating important moments and special memories.

With a lifelong love for creativity and storytelling through illustration, I decided to turn my passion into something special. Inspired by the magic of capturing moments that last forever, I specialise in creating timeless, personalised artwork – mostly live at weddings and events.

When you choose my services, you're not just getting a drawing – you're getting a piece of your story, beautifully rendered with care and attention to detail. Let's work together to make your vision a reality!
