FAVOURS, PLACECARDS, GIFTS & COMMISSIONS

PLACE SETTINGS, FAVOURS AND THANK YOU CARDS

If I'm not available on your date, or you don't want live illustration, you can choose to have mini portraits of your guests for your place settings or wedding favours. I also offer thank you cards - these can be of your guests taken on the day, or can be of yourselves.

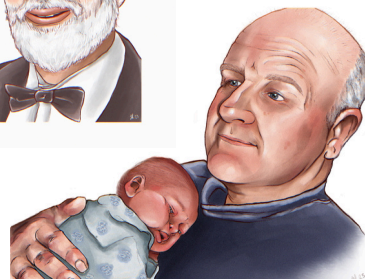

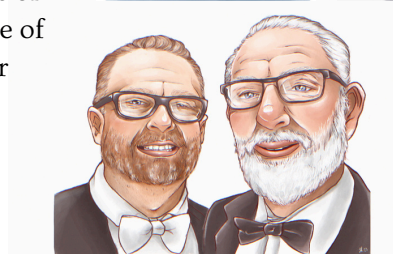

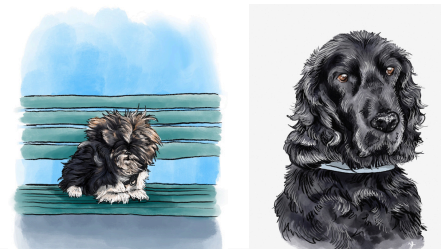

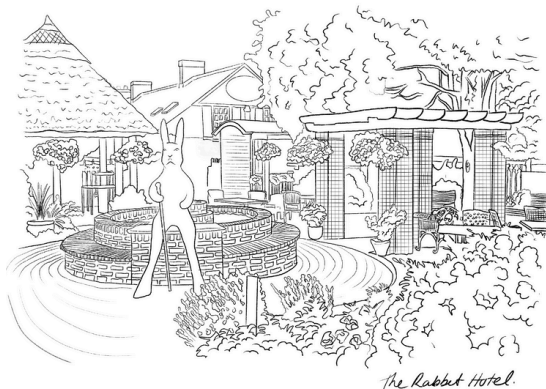

These are all priced at £5, with a minimum order of 30 mini portraits.

VENUE ILLUSTRATION

I can provide beautiful illustrations of your venue, whether it's the outside of the building, your reception area or the dance floor! These can also be mini sketches or detailed illustrations.

Venue A6 mini sketches: £10

Detailed digital illustrations: Starting at £50

THE IMPORTANT BITS

HOW DOES THIS WORK?

I will come to your wedding whenever you like - after the ceremony, during the reception, the evening, it's up to you! I will then set up and start to illustrate your guests. It usually takes 5-10 mins per portrait, so not all guests will get illustrated at your wedding - but you can check out my packages for more details on that.

I will take a photo of your guest and they want to go back to the party, or they can hang about and watch me draw them, whatever they like! All mini portraits will be available at the end of the evening, and I will leave them on the table for you and your guests to come and collect.

TRAVEL

I am based in Antrim, Northern Ireland, and venues within a 50 mile radius round trip are included in the price of your package. Anything outside of that will incite a charge of 45p per mile. I'm currently only serving Northern Ireland/slightly over the border into Ireland, however you can still order stuff from me if you are anywhere else in the world!
