

DREW DOUGLASS

MEMORIAL SCHOLARSHIP

The Drew North Foundation, in partnership with the Chehalis Foundation, has established the Drew Douglass Memorial Scholarship.

The Drew Douglass Memorial Scholarship was created in loving memory of Drew "Boogie" Douglass of Chehalis. Drew was an amazing kid. He was extremely hardworking, adventurous, kindhearted, athletic and outgoing. He was caring to others and a friend to many. Despite always having a smile on his face, Drew silently struggled with anxiety and depression and ultimately took his own life at the age 14.

The non-profit organization, Drew North Foundation, began in November, 2021 to raise awareness of mental health issues and provide resources to teachers and students to recognize signs of those in need. Our hope is that the scholarship inspires greater awareness about mental health and fuels innovative solutions that help the millions of people who are suffering. The Drew North Foundation is pleased to offer scholarships in Drew's honor.
