EDGE SPORTS BALLS

Dear Allan,

Many thanks for providing us with the opportunity to trial Edge Rugby Balls with our Junior & Senior Brumbies Academy programs. The balls have been used throughout our preseason programs over the last 2 seasons.

We are happy with the catch/pass skill progression of our players, following usage. Importantly, this work has been validated by on field game transfer with our developing players. The players have been more detailed in their catch execution as a result of the EDGE balls.

Thanks again for allowing us to trial this innovative, effective skill enhancement product.

Yours sincerely

**Andrew Clark
Head of Pathways
Brumbies Rugby**
