The Next Step to Black Belt Excellence

Congratulations on completing your starter program. During the trial class you had a chance to see our wonderful instructors in action and see how we not only teach serious martial arts but also tie in the life skills for success including a positive attitude, good behavior and strong character. Our school is a Black Belt school meaning our goal is to get you to the level of Black Belt proficiency in the next 3 to 4years. We will get you in the best shape of your life, arm you with self defense skills and more importantly empower you with confidence, integrity, self esteem, patience and indomitable spirit.

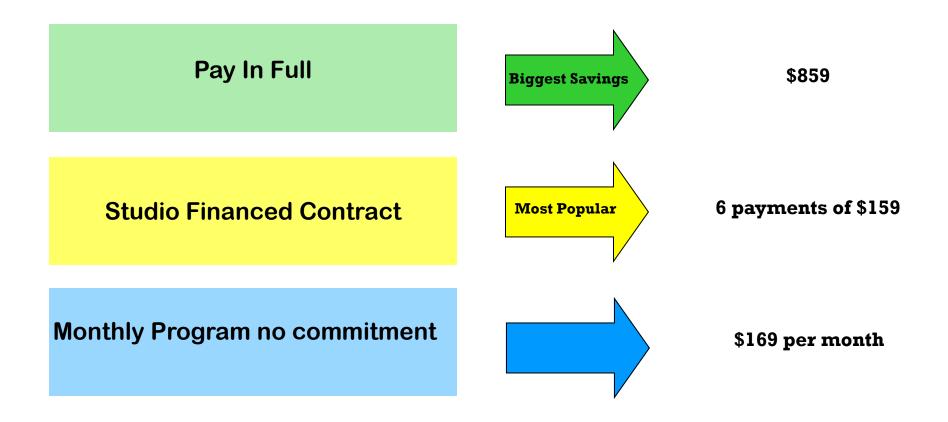

Since you have completed your start up class your next step is our First Step to Black Belt Program. This is where you begin your journey to Black Belt one step at a time.

- Our First Step to Black Belt Program includes:
- Multiple options for beginner classes per week
- Focus on self defense, fitness, mastering martial arts fundamentals, increased self confidence, self-esteem, courage and pride.
- Frequent progress checks to make sure all students are on track for advancement
- Responsibilities include Black Belt excellence tasks
