NOTICE OF OUT-OF-COUNTY CIVIL PROCESS SERVICE RESTRICTIONS

Please be advised that due to budget constraints, Precinct 2 is implementing immediate restrictions on out-of-county civil process service.

Updated Service Areas

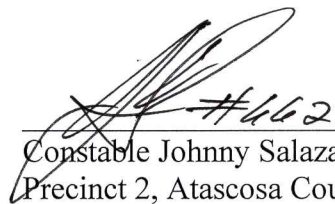

Service is now strictly restricted to addresses located within **Atascosa County** including any **Lytle, Texas** address and **Atascosa, Texas** address. Our office will no longer execute service in San Antonio, Natalia, Devine, Dilley, Pearsall, or any other surrounding areas within contiguous counties. Rare emergency situations may be considered and approved on a strict, case-by-case basis.

Filing Party Responsibilities for Outside Areas

For paper filings outside our restricted service area, it is the sole responsibility of the filing party to identify the appropriate constable or agency with jurisdiction. You must provide their complete contact information and mailing address. You are also required to bring a money order for the exact amount that jurisdiction charges, made out directly to the appropriate serving agency. Additionally, any necessary mailing fees will be added to the case as a cost, and the filing party will be required to cover that mailing portion.
