IDHS allows you to submit your Continuing Education Report from the beginning of reporting quarter however you must let us know when the date was renewed.

When renewing online, make sure your paperwork is completed and signed prior to uploading in portal. If you're an AEMT or Paramedic and renew without obtaining Dept signature, EMS Coordinator signature, and Medical Director signature there will be consequences of possible fines and non-renewal.

*As part of monthly quality improvements meetings, four hours of audit and review are generally provided—two hours at each sponsoring hospital—for a total of 48 hours annually. Audit and review are conducted by an SJCEMSC Medical Director or, occasionally, by an EMS Coordinator. All AEMTs and Paramedics are required to attend a minimum of **six** hours annually, based on their personal deadlines for the accumulation of CE hours necessary for state recertification.* SJCEMSC Administrative Guidelines – Continuing Education - 1012
