Supplemental Color Chart
(As seen in May/June 2018 Quiltmaker Magazine)

Thank you for visiting Meadow Lane Stitching™. This handout is a supplement to the pattern featured in the 2018 May/June issue of Quiltmaker Magazine. The chart below provides specific Crayola crayon colors (found in the Crayola 64-pack) and Cosmo thread colors used to create Flora's Garden Getaway. As an additional feature, we have also provided the closest DMC equivalent thread color. We hope you enjoy making this project as much as we did! Happy stitching!
