TORONTO MARCH FOR LIFE;

Join us on Saturday, May 11, 2024 to be a voice for the voiceless in Canada's largest city! The GTA is home to nearly 7 million people and is also place of death for thousands upon thousands of pre-born children every year. This event is an opportunity to join with hundreds of other pro-lifers to stand up for the rights of our youngest neighbours in the womb. We will gather at Queen's Park at 10:00 AM for a rally, and then march through downtown Toronto. Workshops will follow at 2:00pm (registration required). *Sign up for workshops and lunch by April 30. To sign up or to register your bus go to torontomarchforlife.ca*

Justice, Peace, and the Integrity of Creation;

In his apostolic exhortation, Pope Francis states; 'The Judaeo-Christian vision of the cosmos defends the unique and central value of the human being amid the marvellous concert of all God's creatures, but today we see ourselves forced to realize that it is only possible to sustain a "situated anthropocentrism". To recognize, in other words, that human life is incomprehensible and unsustainable without other creatures. For "as part of the universe... all of us are linked by unseen bonds and together form a kind of universal family, a sublime communion which fills us with a sacred, affectionate and humble respect". ' [67] Tomorrow, Earth Day, go out and express your awe and wonder of creation to its Creator!
