MARRIAGE TIP #154: Marriage is a journey that two people undertake with a plan to navigate life together. When researchers investigate what makes the journey both long and happy, many things come into play, but a strong one is repeated by most: "I married my best friend." It is good to ask yourself then, are you being a good friend to your spouse? Do you spend time together, share parts of your day, invite them to share in an event with you, watch a movie together, or even a series that can become together time? Do you call once in awhile to say hello during the time you are not together and plan time for your spouse in your agenda – everyday? Are you patient when they make a mistake, are not perfect, or let you down? Friendships thrive and last in this kind of environment, so make friendship a foundation of your marriage. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)

RESTART: MOVING FORWARD: Have you experienced a divorce or separation? Are you looking to learn ways to cope, for support from others and to gain a feeling of moving forward?
