

### **Answers to Frequently Asked Questions for the Birthday and Prince / Princess Parties:**

1. Your party includes all setup and cleanup by our attendants along with the attendants running the party. You may arrive up to 15 minutes prior to your party time to get settled before your guests arrive and may use up to 15 minutes of clean up time to pack after your party time ends. During your party you will have the event space all to yourself and guests.
2. Each party package includes up to 6 kids and their parents/guardians. Additional children can be added on for \$15 per child. Please note that party activities will include kids only. However, all parents and guardians will be offered birthday cake and beverage. The maximum number of guest including kids and adults is 30.
3. Our venue is filled with themed décor. Most parties choose not to bring in additional decor but if you do choose to bring decor it may be set up during the 15 minutes prior to your party
4. Please no confetti, silly string, etc. Candles will be permitted and supplied by the venue for only during singing of The Happy Birthday Song.
5. We offer party add-ons to make your celebration stand out even more! If you do not see an idea listed, let us know and we see if we can accommodate a custom add on to the package.
6. There is plenty of parking space. However on Saturdays, we ask that you and guests avoid parking directly in front of other businesses to ensure that their guests also have parking available to them. Please park on the other side of the street or in the court house parking lot which is also across the street from the venue. Our business neighbors are fantastic and we try to not interfere with the flow of traffic to and from their store. Thank you in advance. 😊
