Additional Information

Professional Classroom Placement

Please consult with the instructor about the most appropriate classroom placement. Students thrive when they're placed in a class where they feel confident while still being appropriately challenged.

Classroom and studio expectations, student and teacher responsibilities and the ASOD code of ethics can be found in our handbook on our website.

Private Lessons

Private lessons are offered in 30-, 45-, or 60-minute sessions. These individualized, private classes help build student's technique and improve skills in a personalized setting. If you are enrolled in private lessons and must be absent, you will need to contact the instructor beforehand to schedule a make-up class or you will be charged for that lesson. Please refer to the ASOD handbook for all rules and guidelines. If you are interested, please contact the front desk for coordination. Enrollment in private lessons must begin before October 1 to remain eligible for a solo in the recital. *Taking private lessons does not ensure recital performance.*
