Intermediate Tap
Musical Theater
Intermediate Hip Hop
Intermediate Hip Hop 2

Through the day, private lessons will jump in and have their individual photos taken between classes as it works for each dancer. They just need to let the staff member at the door know when the student is ready.

- We run block scheduling for pictures and group similar ages together. This alleviates the number of students in the building at any one time. We will run class photos in the order listed above.

(While this may not be ideal for everyone, we assure all it's 100% better than the previous structure of spending the duration of the day at the studio!)

- **Please arrive AND BE READY TO GO at least 15 minutes early** before your scheduled start time. Doors will open at 8:30 am.
- Parents will not be allowed in the classroom where photos are being taken. Teachers and assistants will be there to help classes line up at the door, take them in, get lined up, etc.

HELPFUL NOTES

- Purchasing photos is 100% voluntary, but we do ask every student to make their best attempt to attend so we have a complete class photo for the studio scrapbook and for those who do purchase.
- Order forms will be available at the studio. Students have the option to take an individual picture prior or after each group photo. This is not required. The individual portrait only needs to be taken if you intend to order that photo (please mark the order form accordingly).
- **Please help us by maintaining a positive attitude, use patience and kindness towards others.**

- We will transform one classroom into a large dressing room for female students (windows covered). All students are welcome to bring costumes and change at the studio, or come all ready to go... completely your preference.
- If your student absolutely cannot attend, please let Amy or the class teacher know so we are not waiting on individuals that will not be there.
- Hair (buns/ponies) and make-up are **OPTIONAL**. Most dancers will wear light stage make-up, but this is not required. Hair can be worn up or down.
- Students may leave as soon as they are done with all of their classes.
