Beginner Tap	

Private lessons, siblings, and buddy pictures may jump in and have their individual photos taken between classes as it works for each dancer. They just need to let the staff member at the door know when the student is ready.

HELD AT ASOD STUDIO

- Doors will open at 8 am.
- Arrive at least 15 minutes early and come ready to go for your first class picture.
- Parents are not allowed in the classroom where photos are taken.
- The other classroom will be used as a large dressing room. No boys or men allowed in this dressing room.
- Hair and make-up may be worn however your dancer would prefer.
- Students may leave as soon as they have finished all class photos.
- Purchasing photos is voluntary, but we ask all to attend so our class composites are complete.
- If your dancer absolutely cannot be there, please let your teacher know so we aren't waiting for them.
- Order forms will be available at the studio.
