

MEET YOUR NURSE

Tysheanna Jackson, Owner

I am a *Licensed Practical Nurse* with over 13 years of experience in senior care and complex health support. I help individuals and families navigate healthcare systems, manage care needs, and reduce stress during challenging medical situations.

What I Do

I provide personalized care coordination and medical advocacy services, including:

- Care coordination between providers, specialists, and services
- Medical appointment preparation and follow-up
- Medication and treatment organization
- Health system navigation and communication support
- Advocacy for patient needs, preferences, and safety
- Family support during transitions (hospital, rehab, home care, long-term planning)

Services are tailored to each client's needs and situation.

WHO I HELP

- Seniors and adults with complex or chronic conditions
- Families overwhelmed by medical decisions or care logistics
- Individuals who need a knowledgeable healthcare professional on their side

HOW I WORK

- Services are provided independently
- I collaborate with families and healthcare providers but do not replace clinical care
- Support may be short-term or ongoing, depending on needs
- Communication is clear, respectful, and confidential
