

TOMORROW LABELS
AND PACKAGING COMPANY LIMITED

SMART RETAILING

Tomorrow Labels and Packaging Company Limited has been established in Dongguan, China since 2017 specializing in manufacturing trims and packaging products for the garment accessories industry. We are the expert on high quality heat transfers and silicon patches. Our production and distribution facilities in Hong Kong, China, Indonesia and Vietnam provide value added services to satisfy all the customers' need.

A compliant supply chain is a sustainable supply chain. In partnership with our retail and brand customers, Mainetti sets high ethical and technical standards as an integral part of our operations. Internal and external audits are routinely conducted throughout the year to maintain our accreditations and to encourage continuous improvement. We understand the responsibility of operating a global business.

Tomorrow smart retail solutions add visibility, traceability, security and interactivity to retailers. By providing smart, interactive and contextual information of shoppers, our solutions increase sales, minimise inventory shrinkage, and provide insightful customer behaviour analytics on demand.

Tomorrow Automatic GlobalNET

- ◆ Robust order entry platform with EPC management
- ◆ EDI order linkage with retailer and vendors
- ◆ 24/7 online ordering with fully-transparent order status
