THE COLOR OF COMPROMISE:

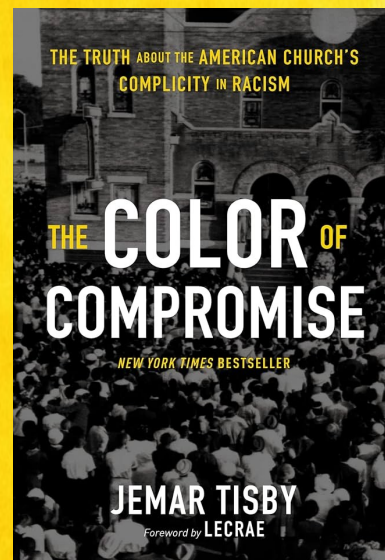

The Truth About the American Church's Complicity in Racism

By Jemar Tisby

About the Book

The Color of Compromise is not a call to shame or a platform to blame White evangelical Christians. Rather, it is a call from a place of love and desire to fight for a more racially unified church that no longer compromises what the Bible teaches about human dignity and equality, and a call that challenges Black and White Christians alike to stand up now and begin implementing change. Here, Tisby outlines concrete ways to bring about a more equitable and inclusive environment among God's people - starting today.
