#### PG&E Outage Notifications

PG&E Customer Service suggests calling the Customer Service number at 1-800-743-5000 to update your contact information so you can receive critical information when necessary. PG&E requests the following updates: your primary home/landline number, your cell phone number, your email address and secondary contact information, such as friends or family members who can receive alerts in the event contact cannot be made. To report or get more information about an outage, call PG&E's 24-hour Outage Information Center at 1-800-743-5002. Also, visit PG&E's website for updates and PG&E's Safety Action Center for tips to help keep one's family, home and business safe during natural disasters and other emergencies.
