WELCOME – Mike Ramer

OLD BUSINESS

- **Round Table Meetings:** Next is scheduled for Monday, August 17, 10:00 AM, Sequoia Room, Cribari Center

NEW BUSINESS

- **Emergency Drill: Monday, October 19.**
 - Whistles are being considered for medical emergencies.
 - Drill starts between 3:00 PM and 4:00 PM. Exact time will **not** be announced ahead of time.
 - An emergency scenario, one for each sector, will be posted somewhere in the sector. The scenario will be described in an envelope labeled “Area Rep” and posted at the door of a home with no “OK” sign. If there is a medical and/or emotional support element to the scenario, there will be a second envelope labeled “Specialty Team”. The scenario will challenge an area rep, sector chief(s) and specialty team personnel to respond appropriately.
- **EPC Office Hours Pilot** – Mike Ramer: Every Tuesday from 12:00 to 2:00 in September, October and November, EPC will have a representative in the Senior Resource Services (SRS) office in Cribari Center to help in emergency preparedness. This is a pilot program that will last for three months. We will assess the success and determine if it will continue.
- **Preparedness Panel** – Mary Tatum: EPC and Firewise will present community preparedness speakers on Wednesday September 23 from 2:00 to 4:00 PM in the clubhouse. Presenters will be from the San Jose Office of Emergency Preparedness, San Jose Fire Department, Red Cross and others. Speakers will take questions from the audience.
- **Logistics** – Ken Colaizzi: The EPC Logistics team will meet Tuesday, August 18 to discuss how the team will support resident needs post-emergency.

- **Director Updates:**

- Statement from Larry McNary read by Mike Ramer about radio check on July 17.
- Rick Kline: Need more medical personnel. Making plans for distributing medical assistance throughout The Villages.
- Marie Colaizzi: Any badges needed, contact her. Only one “primary” phone number for each volunteer.

QUESTIONS/ANSWERS – Mike Ramer
