

Dear Family and Friends,

We are embarking on a new journey! One that will literally take us to the other side of the world. It's been our privilege to work at Cornerstone Church for almost 7 years here in Michigan. We've grown so much during this time and have been extremely blessed. It's here that we were married, had our 1st two kids, and have put down our roots. In this next season of our lives we are moving our family of four across the world to the nation of Japan! For years we have sensed the calling to "go to the nations." We have obeyed the Lord and served on many short-term mission trips and are now taking this next step to become full time missionaries to Japan.

JAPAN MISSIONS

God has put a desire in our hearts to join Project AmaZon (PAZ) which is a church planting organization. They have planted over 800 churches with a goal of planting 100,000! There is a huge need to help the work in Japan so we will be jumping in with the vision to make disciples, raise up leaders, and multiply the church. We will start language school and ministry with the church right away.

Japan has 127 million people and less than 1% of them identify as Christian. Suicide rates are extremely high (about 30,000 a year) as depression and hopelessness plague this first world country. It is one of the largest unreached people groups in the world, but completely open to missionaries! Our prayer is that we will be faithful and fruitful in the ministry.

SUPPORT

We know that moving to another country with a different language, culture, and way of living is not easy, so we want to take you with us. Would you please join us by supporting us through your prayers and through your finances? Your prayers will be a difference-maker for us in this new season of life and your financial support will help us be sustainable as long-term missionaries.

Would you pray and consider being a monthly donor of \$30, \$60, \$100 or more, as the Lord leads? You can also give a one-time donation to help send us. In addition to our monthly support we'd like to raise \$30,000 for the initial costs of relocating our family to Tokyo. This amount will help cover travel expenses, our first year of language school, and getting settled in Japan. Our goal is to fully raise all our support by November 15th and arrive in Japan in January 2019.

Your friendship and support are very important to us!
We look forward to staying in touch with you!

Thank you so much!

Ben, Debbie, Isabella, & Evelyn
