

GOT TALENT? JOIN C.O.R.E.!

What's your talent? Do you write lyrics, compose or arrange music? Are you a musician, D.J., or audio engineer? Do you dance, design, or create art? C.O.R.E. and CORE Music Foundation are searching for talented creatives like you with free registration to join C.O.R.E.!

Let C.O.R.E. help you avoid the pitfalls of the music industry, learn the business, and stand out in an oversaturated market. We work with selected talent as mentors on branding, marketing, music business basics, legal conversations, resources, opportunities, and support.
