Here Again - Elevation Worship

Can't go back to the beginning
Can't control what tomorrow will bring
But I know here in the middle
Is a place where You promise to be
I'm not enough unless You come
Will You meet me here again?
'Cause all I want is all You are
Will You meet me here again?
As I walk now through the valley
Let Your love rise above every fear
Like the sun shaping the shadow
In my weakness Your glory appears
I'm not enough unless You come
Will You meet me here again?
'Cause all I want is all You are
Will You meet me here again?
I'm not enough unless You come
Will You meet me here again?
'Cause all I want is all You are
Will You meet me here again?
Not for a minute
Was I forsaken
The Lord is in this place
The Lord is in this place
Come Holy Spirit
Dry bones awaken
The Lord is in this place
The Lord is in this place
Not for a minute
Was I forsaken
The Lord is in this place
The Lord is in this place
Come Holy Spirit
Dry bones awaken
The Lord is in this place
The Lord is in this place

I'm not enough unless You come
Will You meet me here again?
'Cause all I want is all You are
Will You meet me here again?
I'm not enough unless You come
Will You meet me here again?
'Cause all I want is all You are
Will You meet me here again

Who is like the Lord - Highlands Worship

Come on let's put those hands together right here
You're seated on the throne of mercy
Your glory shining bright for all to see
Oh God I will praise You
Magnificent with grace unending
You rescue us with love that never fails
Oh God I will praise You
Who is like the Lord, strong in battle
Who is like the Lord, mighty to save
Who is like the Lord, King forever
Jesus reigns, Jesus reigns
I know that You are always with me
Your presence goes before and goes behind
Oh God I will praise You
Who is like the Lord, strong in battle
Who is like the Lord, mighty to save
Who is like the Lord, King forever
Jesus reigns, Jesus reigns
Who is like the Lord, strong in battle
Who is like the Lord, mighty to save
Who is like the Lord, King forever
Jesus reigns, Jesus reigns
Oh, you reign Lord
You reign, oh, Jesus
You reign in all the earth
You reign in all the heavens, You're holy
You're seated on the throne
Nothing can stand against You, You're holy

You reign in all the earth
You reign in all the heavens, You're holy
You're seated on the throne
Nothing can stand against You, Lord
Who is like the Lord, strong in battle
Who is like the Lord, mighty to save (Come on)
Who is like the Lord, King forever
Jesus reigns, Jesus reigns
Who is like the Lord, strong in battle
Who is like the Lord, mighty to save
Who is like the Lord, King forever
Jesus reigns, Jesus reigns
You reign in all the earth
You reign in all the heavens, You're holy
You're seated on the throne
Nothing can stand against You, You're holy (Oh, you reign Lord)
You reign in all the earth
You reign in all the heavens, You're holy
You're seated on the throne
Nothing can stand against You, You're holy, Lord

O Come to the Altar - Elevation Worship

Are you hurting and broken within?
Overwhelmed by the weight of your sin?
Jesus is calling
Have you come to the end of yourself?
Do you thirst for a drink from the well?
Jesus is calling
O come to the altar
The Father's arms are open wide
Forgiveness was bought with
The precious blood of Jesus Christ
Leave behind your regrets and mistakes
Come today, there's no reason to wait
Jesus is calling
Bring your sorrows and trade them for joy
From the ashes, a new life is born
Jesus is calling
O come to the altar

The Father's arms are open wide
Forgiveness was bought with
The precious blood of Jesus Christ
Forgiveness was bought with
The precious blood
Oh, what a Savior
Isn't He wonderful?
Sing hallelujah, Christ is risen
Bow down before Him
For He is Lord of all
Sing hallelujah, Christ is risen
O come to the altar
The Father's arms are open wide
Forgiveness was bought with
The precious blood of Jesus Christ
O come to the altar
The Father's arms are open wide
Forgiveness was bought with
The precious blood of Jesus Christ
The Father's arms are open wide

Another in the Fire - Hillsong United

There's a grace when the heart is under fire
Another way, when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire
Standing next to me
There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free?
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters

I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning?
Either way, I won't bow to the things of this world (and I know)
And I know I will never be alone

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power set me free?
There is a grave that holds nobody
And now that power lives in me

There is another in the fire, oh-oh
There is another in the fire, oh-oh
There is another in the fire, oh-oh
There is another in the fire, oh-oh (I can see)

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us

There is no other name but the name that is Jesus
He who was and still is and will be through it all
So come what may in the space between
All the things unseen and this reckoning
And I know I will never be alone

And I know, come on
I know I will never be alone

There'll be another in the fire
Standing next to me

There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me?
I'll count the joy come every battle
'Cause I know that's where You'll be (and I can see the light)
And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us
There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me?
I'll count the joy come every battle
'Cause I know that's where You'll be

I'll count the joy come every battle
'Cause I know that's where You'll be
I'll count the joy come every battle
'Cause I know that's where You'll be
(Sing it again) I'll count the joy come every battle
'Cause I know that's where You'll be
I'll count the joy come every battle
'Cause I know that's where You'll be

Same God - Elevation Worship

I'm calling on the God of Jacob
Whose love endures through generations
I know that You will keep Your covenant
I'm calling on the God of Moses
The one who opened up the ocean
I need You now to do the same thing for me

For me, for me
O God, my God, I need You
O God, my God, I need You now
How I need You now
O Rock, O Rock of ages
I'm standing on Your faithfulness
On Your faithfulness
I'm calling on the God of Mary
Whose favor rests upon the lowly
I know with You all things are possible
I'm calling on the God of David
Who made a shepherd boy courageous
I may not face Goliath
But I've got my own giants
O God, my God, I need You
O God, my God, I need You now
How I need You now, yes
O Rock, O Rock of ages
I'm standing on Your faithfulness
On Your faithfulness
O God, my God, I need You (I need You Lord)
O God, my God, I need You now
How I need You now, yeah
O Rock, O Rock of ages
I'm standing on Your faithfulness
On Your faithfulness
It's your faithfulness I'm standing on
Never changes, never changes
You heard Your children then
You hear Your children now
You are the same God
You are the same God
You answered prayers back then
And You will answer now
You are the same God
You are the same God
You were providing then
You are providing now
You are the same God (You are the same)
You are the same God

You moved in power then
God, move in power now
You are the same God
You are the same God
You were a healer then
You are a healer now
You are the same God
You are the same God
You were a savior then
You are a savior now
You are the same God
You are the same God
O God, my God, I need You (lift it up)
O God, my God, I need You now (how we need You now)
How I need You now (we stand in faithfulness)
O Rock, O Rock of ages
I'm standing on Your faithfulness
Oh, on Your faithfulness
O God, my God, I need You
O God, my God, I need You now
How I need You now (oh-oh)
O Rock, O Rock of ages
I'm standing on Your faithfulness
On Your faithfulness
On Your faithfulness, God
You're faithful God
Jesus, You're the same
Yesterday, today, and forever
You're the same God (yes, You are)
You're the same God
This is who we worship tonight, yeah
He's the same, He's the same, oh God
How I need You, yeah
How I need You, yeah
You freed the captives then
You're freeing hearts right now
You are the same God
You are the same God
You touched the lepers then
I feel Your touch right now

You are the same God
You are the same God
Never changing
Oh, forever
We feel You now
You're the same God
You're the same God, yeah
How we need You now, yeah
I'm calling on the Holy Spirit
Almighty River, come and fill me again
(Let that be your prayer tonight)
Come and fill me again
(Come and fill me)
Come and fill me again

Bigger than I Thought - Passion

Speak to me
When the silence steals my voice
You understand me
You understand me
Come to me
In the valley of unknowns
You understand me
You understand me
You understand me, God
You understand me
So I throw all my cares before You
My doubts and fears don't scare You
You're bigger than I thought You were
You're bigger than I thought
I stop all negotiations
With the God of all creation
You're bigger than I thought You were
You're bigger than I thought You were
So much bigger than I thought
You're bigger than I thought You were
I believe
But help my unbelief
You understand me

You understand me
Help me reach
The faith that's underneath
You understand me
You understand me
Yes, You understand me, God
You understand me, oh
I throw all my cares before You
My doubts and fears don't scare You
You're bigger than I thought You were
You're bigger than I thought
I stop all negotiations
With the God of all creation
You're bigger than I thought You were
You're bigger than I thought You were, oh
I will rest in the Father's hands
Leave the rest in the Father's hands
I will rest in the Father's hands
Leave the rest in the Father's hands, yeah
I will rest in the Father's hands
Leave the rest in the Father's hands
I will rest in the Father's hands
Leave the rest in the Father's hands
So I throw all my cares before You
My doubts and fears don't scare You
You're bigger than I thought You were
You're bigger than I thought
I stop all negotiations
With the God of all creation
You're bigger than I thought You were
You're bigger than I thought
You're so much bigger than I thought You were
You're bigger than I thought You were
You're bigger than I thought You were
