

Covenants

The following pages list our Covenants as recorded when Sugarland was first established.

From time to time, as deemed necessary, amendments to the covenants have been and will be adopted by the majority vote of residents, to better improve our development.

Just like husbands and wives, brothers and sisters, we do not all have the same wants, tastes or beliefs. While the following covenants are legally binding to all property owners, they are not intended to severely limit individual choice. They are to serve as a minimum standard protecting each of our properties in the event one of our individual preferences conflicts with what is deemed "best for the community."

Please take time to read the covenants and become familiar with your obligations to your neighbors and the neighborhood.

No lease may be of less than an entire Unit. Any lease agreement shall be in writing, shall provide that the lease be subject in all respects to the provisions hereof, and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the tenant to comply with the terms of the Villa Instruments shall be a default under the lease. Prior to the commencement of the term of a lease, the Unit owner shall notify the Board, in writing, the name or names of the tenant or tenants and the time during which the lease term shall be in effect. Notwithstanding the existence of a lease, the Unit Owner shall remain liable for all obligations including, without limitation, the payment or dues under this Declaration with respect to the Unit.

(g) Signs. No sign of any kind shall be displayed to the public view on the Villa Property except:

(l) Conveyances. Each Unit shall be conveyed or transferred (voluntarily or involuntarily) as a separate designated and legally described fee simple estate subject to the terms, conditions and provisions hereof. In any instrument of conveyance or creating an encumbrance, or in any other document legally describing a Unit, it shall be sufficient to lawfully describe a Unit by referring to the Unit designation of the Unit on the relevant Plat. The right of a Unit Owner to sell, transfer or otherwise convey that owner's Unit is not subject to any right of first refusal, and any Unit Owner may transfer that owner's Unit free of any such limitation. To enable the Association to maintain accurate records of the names and addresses of Unit Owners, each Unit Owner agrees to notify the Association in writing within five (5) days after an interest on that Unit owner's Unit has been transferred to another person. In addition, each Unit Owner agrees to provide to a purchaser of that owner's Unit a copy of all Villa Instruments.

(m) Landscaping. No landscaping (other than trees and landscaping installed by or for the Declarant of the Association) shall be installed or maintained without the express written consent of the Declarant or the Board.

(n) Architectural Control. No changes shall be made to the exterior of any Unit without either the approval of the Declarant or the Board.

(o) Rules and Regulations. In addition to adopting and enforcing rules and regulations in the instances specifically hereinbefore mentioned, the Board may, from time to time, adopt and enforce such further reasonable rules and regulations as it deems necessary or desirable to promote harmony, to serve the best interests of the Unit owners, as a whole, and the Association, and to protect and preserve the nature of the Villas. A copy of all rules and regulations, and amendments thereof, shall be furnished by the Board to the owners of each Unit prior to the time when the same shall become effective.

(b) Unit Types, Sizes, Locations and Components. All Units are of the same size and type described on the attached Exhibit B, which also sets forth the general composition of each type of Unit. The type of each Unit will be shown on Exhibit B, as amended from time to time by the Declarant. Each Unit has its own furnace, hot water heater, and a fireplace. Each Unit has direct access to a parking area/private drive (which are Limited Common Areas) and a public street.

Section 3. Party Walls. Each wall which is built as a part of the original construction of the Units upon the Villa Property and placed on the dividing line between two or more Units shall constitute a party wall and, to the extent not inconsistent with the provisions of this Declaration, the general rules of law regarding party walls and liability for property damage due to negligence and willful acts or omissions shall apply thereto.

(a) The reasonable repair and maintenance of a party wall not covered by insurance shall be shared by the Unit owners who make use of the wall in proportion to such use.

(b) Notwithstanding any other provision of this Declaration, any Unit owner who by his, her or its negligence or willful act causes the party wall to be exposed to the elements shall bear the entire cost of furnishing the necessary protection against such elements.

(c) The right of any Unit owner to contribution from any other Unit owner with respect to the obligations relating to party walls shall be considered an appurtenant right and pass to any and all successors in interest to the title of such Unit.

owner of any particular Unit all such persons shall be members and the one vote for such Unit shall be exercised as they, among, themselves, shall determine, but in no event shall more than one vote be cast with respect to such Unit.

Subject to the foregoing, the Association shall be the sole judge of the qualifications of each Unit owner to vote and their rights to participate in its meetings and proceedings.

The Board, in its sole discretion, from time to time, may suspend the right of a member to vote with respect to his, her, or its Unit for failure to pay assessments when due, or for failure to observe other of the terms of the Villa Instruments pursuant to rules and regulations duly adopted by the Board from time to time.

Section 3. Board of Directors. The Board initially shall be the three (3) persons named as the initial Directors pursuant to the provisions of the Articles, or such other persons as may from time to time be substituted by Declarant. As soon as possible after the Turnover Date, the Association shall hold a meeting of its members, and all Unit owners shall elect three Directors to replace all of those Directors earlier elected or designated by Declarant. The terms of the three Directors shall be staggered so that the terms of each Director will expire and a successor will be elected at each annual meeting of the Association. Thereafter, at such annual meetings, successors to the two Directors whose terms subsequently expire shall be elected to serve three-year terms. Notwithstanding the foregoing, after the Turnover Date the members, by vote of members exercising not less than a majority of the voting power of members, may, from time to time, change the number and terms of Directors, provided, that in any such event the terms of not less than one-third of the Directors shall expire annually.

Notwithstanding the foregoing, Declarant shall have the right at any time to waive its right to select one or more Directors or to vote in an election of Directors.

Section 4. Authority of Board. The Board shall have all authority to manage, maintain, repair, alter and improve the Common Areas and the exterior portions of the Units and assess and collect funds for the payment thereof, and to do all things, and exercise all rights provided by the Villas instruments, that are not specifically reserved to Unit owners. In addition to the powers granted by other portions of this Declaration or by law but subject to all of the limitations set forth in this Declaration, the Association, acting through the Board, shall have the power and authority to do and perform all such acts as may be deemed necessary or appropriate by the Board to carry out and effectuate the purposes of this Declaration, including, without limitation:

- (a) To enforce, in the Association's name, any and all building, use or other restrictions, obligations,

(i) To make, amend and revoke reasonable rules, regulations, restrictions and guidelines (including, without limitation, regarding the use of Common Areas) and to provide means to enforce such rules, regulations and guidelines, including, without limitation, the establishment and collection of monetary fines and other enforcement charges for violations of this Declaration and such rules, regulations and guidelines.

(j) To exercise such other powers as may be set forth in the Articles of Incorporation or Bylaws of the Association.

Section 5. Delegation of Authority; Management Contracts.

The Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent, which may be the Declarant or an affiliate of the Declarant. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts, which may provide for the payment of reasonable compensation to such managing agent as a common expense, provided, however, that any agreement for professional management shall not exceed two years unless renewed by agreement of the parties for successive one-year periods; and shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing. Subject to the foregoing, nothing contained herein shall preclude Declarant, or an affiliate of Declarant, or any other entity designated by Declarant, from being employed as managing agent. The association also shall have the authority to enter into contracts with Declarant or an affiliate of Declarant for goods, services, or for any other thing, including, without limiting the generality of the foregoing, contracts for the providing of maintenance and repair services, provided the same are bona fide and commercially reasonable to the Unit owners at the same entered into under the circumstances then prevailing.

The Association shall maintain an adequate reserve fund for the periodic maintenance, repair and replacement of all such improvements. Except to the extent, if any, that a loss is covered by insurance maintained by the Association, the Association shall not have responsibility to repair or maintain the interior or exterior of any Unit, or component thereof, or personal property within a Unit.

damage, arising out of a single occurrence. This insurance shall contain a "severability of interest" provision, or, if it does not, an endorsement which shall preclude the insurer from denying the claim of a Unit owner because of negligent acts of the Association, the Board, or other Unit owners; and shall include, without limitation, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons resulting from the operation, maintenance or use of the Common Areas, and legal liability arising out of lawsuits related to employment contracts in which the Association is a party. Each such policy must provide that it may not be canceled or substantially modified, by any party, without at least ten days' prior written notice to the Association.

Section 2. Fidelity Coverage. The Board may obtain and maintain, at the Association's cost and as a common expense, fidelity insurance providing coverage for the Association against dishonest acts on the part of directors, managers, trustees, employees, agents, and volunteers responsible for or handling funds belonging to or administered by the Association.

Section 3. Other Association Insurance. In addition, the Board may purchase and maintain, at the Association's cost and as a common expense, contractual liability insurance, officers and directors liability insurance, and such other insurance as the Board may determine.

Section 4. Nominee; Power of Attorney. There may be named, under any policy obtained by the Association, a nominee as an insured on behalf of the Association, who shall have exclusive authority to negotiate losses under any such policy. Each Unit owner, by acceptance of a deed to a Unit, irrevocably appoints the Association or its nominee, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or its nominee, shall receive, hold or otherwise properly dispose of any proceeds of insurance, in trust, for the Association, the Unit owners and their first mortgage holders, as their interests may appear and as set forth in this Declaration. This power is for the benefit of each and every Unit owner, and their respective first mortgage holders, and the Association, and the Villas, runs with the land, and is coupled with interest.

Section 5. Unit Owner's Insurance. Each Unit owner and occupant shall obtain insurance against liability for events occurring within a Unit and outside the unit, losses with respect to personal property and furnishings, fire, theft and weather-related damage on interior and exterior of unit. Required coverage commonly referred to as "Replacement cost coverage and liability" or an "HO5" policy to include a minimum of \$500,000 liability. Any Unit owner or occupant may carry such other insurance, in addition to that provided by the Association

Declarant and/or the Association to grant the appropriate public authorities and/or the providing companies and contractors permission to construct and maintain the necessary appurtenances and improvements on, above, across and under the Villa Property. Should any public authority or other company furnishing a service request a specific easement, permit, or license, the Board shall have the right to grant such easement, permit, or license without conflicting with the terms hereof. In addition, in the event the Board determines that the grant of easement rights to others is in the best interests of the Association, the Association shall have the right to grant the same, provided that use of the same would not, in the sole judgment of the Board, unreasonably interfere with the use and enjoyment of the Villa Property by owners and occupants.

Section 5. Easement for Services. Non-exclusive easements are hereby granted to all police, firemen, ambulance operators, mailmen, delivery men, garbage and trash removal personnel, and all similar persons, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the Common Areas in the performance of their duties, subject to such reasonable rules and regulations as the Board may establish, from time to time.

Section 6. Easements Reserved to Declarant. Non-exclusive easements are hereby reserved to Declarant, its successors and assigns, over, under and upon each Unit and the Common Areas and Limited Common Areas (a) for a five year period of time from the date of the closing by the Declarant of the first sale of a Unit to a bona fide purchaser, for access to and for the purpose of completing improvements for which provision is made in this Declaration, provided that such right of access shall be to the extent, but only to the extent, that access thereto is not otherwise reasonably available, (b) for the periods provided for warranties for purposes of making repairs required pursuant to those warranties or pursuant to contracts of sale made by Declarant with Unit purchasers, and (c) for the initial sales and rental period, but for no longer than ten years from the time of the closing of the first sale of a Unit to a bona fide purchaser, to maintain and utilize one or more Units and appurtenances thereto, for sales and management offices and for storage and maintenance, and model Units, parking areas for sales and rental purposes, and advertising signs.

In addition, a non-exclusive perpetual easement is hereby reserved to Declarant, its successors and assigns, for their benefit and the benefit of future owners and occupants of the area into which the Villa Property may be expanded (the Additional Property) for the pedestrian and vehicular access over the streets and walkways that may from time to time be a part of the Villa Property, for ingress to and egress from the Additional Property, and each part thereof, and a public street, and to extend the same onto the Additional Property. Additionally, Declarant, for itself and its successors and assigns, reserves the right to extend utility lines from the Common Areas onto the

(i) The Declarant shall pay the following amounts toward the "common expenses" of the Association:

A. All common expenses allocable to the period prior to the closing of the first sale by Declarant of a Completed Unit.

B. Until the Turnover Date, Declarant shall have the right (but not the obligation) to make non-interest bearing loans to the Association to provide the Association with adequate funds (in addition to assessments received from Completed Units) to pay common expenses. Any such loans shall be repaid to the Declarant by the Association prior to the Turnover Date.

(ii) Annual operating assessments to pay common expenses shall be assessed against Completed Units owned by parties other than the Declarant and Completed Units rented by the Declarant to third parties. The first annual assessment for each Completed Unit shall be prorated based upon when it became a Completed Unit during the year, except that the Declarant may charge buyers and pay over to the Association an operating reserve payable upon closing of the purchase of each Completed Unit.

(iii) Annually, in advance where practical, the Board shall estimate, and prorate among all Completed Units and their owners on the basis of the undivided interest of each Completed Unit in the Common Areas (as described in Article VI Section 3), "common expenses" of the Association, consisting of the following:

A. the estimated fiscal year's costs of the maintenance, repair, and other services to be provided or paid for by the Association including, but not limited to, trash removal, mowing of green space and snow removal from common area;

B. the estimated fiscal year's costs for insurance premiums to be provided and paid for by the association;

C. the estimated amount required to be collected to maintain a working capital reserve fund, to assure availability of funds for normal operations of the Association, in an amount deemed adequate by the Board including, but not limited to, trash removal, mowing of green space and snow removal from common area;

reconstruct or replace capital improvements to the extent that reserves therefore and any applicable insurance proceeds with respect thereto are insufficient, provided that new capital improvements not replacing existing improvements (except new capital improvements required to comply with applicable law or governmental regulation, or to correct any deficiency or defect creating a safety or health hazard to occupants) shall not be constructed nor funds assessed therefore, if the cost thereof in any fiscal year would exceed an amount equal to five percent (5%) or more of that fiscal year's budget, without the prior consent of Unit owners owning at least 75% of the then existing Units.

(ii) Any such assessment shall be prorated among Completed Units in proportion to their respective undivided interests in the Common Areas, and shall become due and payable on such date or dates as the Board determines.

(c) Special Individual Unit Assessments. The Board shall levy assessments against an individual Unit, or Units, and the owner or owners thereof, to reimburse the Association for those costs incurred in connection with that Unit or Units properly chargeable by the terms hereof to a particular Unit (such as, but not limited to, the cost of making repairs the responsibility of a Unit owner, and a Unit owner's interest, late charge, enforcement, and arbitration charges). Any such assessment shall become due and payable on such date as the Board determines. Additionally, during the first years of the Villas existence, and until such time as real estate taxes and assessments are split into separate tax bills for each Unit, the association shall have the right to pay the real estate taxes and assessments attributable to the Villa Property in the event the same have not been paid, when due, and assess each Unit owner for his, her or its share of such real estate taxes and assessments as a special individual Unit assessment. The share of those taxes and assessments attributable to a Unit shall be computed by multiplying the total taxes and assessments for all of the Villa Property by the individual interest in the Common Areas attributable to each Unit. The calculation by the Association of the Units' shares of taxes and assessments shall be binding upon all Unit owners.

Section 4. Effective Date of Assessment. Any assessment created pursuant hereto shall be effective, provided it is created as provided herein, if written notice of the amount thereof is sent by the Board to the Unit owner subject thereto at least ten (10) days prior to the due date thereof, or if to be paid in installments, the due date of the first installment thereof. Written notice mailed or delivered to a Unit owner's

(f) Any Unit owner who believed that an assessment chargeable to his, her or its Unit (for which a certificate of lien has been filed by the Association) has been improperly charged against that Unit, may bring an action in the Circuit Court of Cass County, Missouri for the discharge of that lien. In any such action, if it is finally determined that all or a portion of the assessment has been improperly charged to that Unit, the court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien.

(g) Each such assessment together with interest, late fees, and costs, including attorney fees, shall be the joint and several personal obligation of the Unit owners who owned the Unit at the time when the assessment fell due and all subsequent Unit owners.

(h) The association, as authorized by the Board, may file a lien or liens to secure payment of delinquent assessments, interest, late fees, and costs, including attorney fees, bring or join in an action at law against the Unit owner or owners personally obligated to pay the same, and an action to foreclose a lien or any one or more of these. In any foreclosure action, the owner or owners affected shall be required to pay a reasonable rental for that Unit during the pendency of such action. The association in any foreclosure action involving a Unit or Units shall be entitled to become a purchaser at the foreclosure sale. In any such foreclosure action, interest and costs of such action (including attorney's fees) shall be added to the amount of any such assessment, to the extent permitted by Missouri law.

(i) No claim of the Association for assessments and charges shall be subject to setoffs, off sets, or counterclaims.

(j) No owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Areas, or any part thereof, or by abandonment of his, her or its Unit.

(k) Assessments shall run with the land, are necessary to continue the care, repair and maintenance on behalf of the Units and their interests in the Villa Property, and to continue to provide utility and other service, and, accordingly, assessments accruing or becoming due during the pendency of bankruptcy proceedings shall constitute administrative expenses of the bankrupt estate.

proportion to their respective undivided interests in the Common Areas. In the event negotiations shall fail, the condemning authority may join the Association as a party defendant in lieu of naming all Unit owners and such proceedings shall bind all Unit owners; however, any owner having an interest in the Common Areas may be made a party defendant in such proceedings. Subject to the foregoing provisions, in the event that any Unit is taken by condemnation or the exercise of the power of eminent domain, each owner and the holder of mortgages on the Unit shall be entitled to seek and have their just damages for the taking of the Unit, as allowed by law, including severance damage, if any. No provision herein shall be deemed to give any Unit owner or any other party priority over the rights of the holder of any first mortgage on any Unit in the case of a distribution of condemnation awards for losses to or a taking of the mortgaged Unit.

ARTICLE XIV

Section 11. Effects of Expansion. Except as hereinafter specifically provided otherwise, upon the recording with the Recording Office of an amendment to this Declaration adding all or any portion of the Additional Property to the Villa Property:

(a) the added portion shall thereafter be subject to and benefited by all of the terms and provisions hereof, to the same extent and with the same effect as if that added portion had been provided herein as constituting part of the Villa Property, that is, the rights, easements, covenants, restrictions, and assessment plan set forth herein shall run with, bind, and benefit the added portion in the same manner, to the same extent, and with the same force and effect as the terms of this Declaration apply to the Villa Property, provided, that non-exclusive easements are reserved to Declarant, its successors and assigns, over and upon the Common Areas and Limited Common Areas in property added to the Villa (i) for a one year period of time from the date of the closing by Declarant of the first sale of a Unit in, that property added to a bona fide purchaser, for access to and for the purpose of completing improvements in that portion added, (ii) for the periods provided for warranties, or by law, for purposes of making repairs required pursuant to warranties, and (iii) for the initial sales and rental period for Units in that property added, but for no longer than ten years from the time of closing of the first sale of a Unit in that property added to a bona fide purchaser, to maintain and utilize one or more of those Units and appurtenances thereto, for sales and management offices and for storage and maintenance, and model Units, parking area for sales and rental purposes and advertising signs;

GUIDELINES FOR OFF ROAD VEHICLES ON COMMON GROUNDS

"Off Road Vehicles" will be defined as any motorized vehicle, which is not on a paved or graveled road or path. The lands covered by this guideline will be limited to those lands, which are defined by development maps as "Sugarland Estates Common Grounds."

No off road vehicle use of Sugarland Estates Common Grounds will be permitted.

Exceptions to this simple rule may be made with the explicit approval of at least 2 members of the "Grounds Committee" plus 2 members of the Board of Directors. This approval will generally be limited to special events, which may necessitate limited off road vehicle use, and those matters pertaining to the ongoing maintenance of the Common Grounds.

When special permission is given for off road vehicle traffic, the approving authority will limit that off road use consistent with climatic and ground conditions at the time of such use. Those limitations will be placed in order to assure the least amount of damage to the Common Grounds.
