"Star Spangled Banner"

*Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last
gleaming?*

*Whose broad stripes and bright stars, thro' the perilous
fight,*

*O'er the ramparts we watched were so gallantly
streaming, While the rockets red glare, the bombs
bursting in air, Gave proof thro' the night that our flag
was still there.*

(Chorus)

*Oh, say, does that Star Spangled Banner yet wave,
O'er the land of the free and the home of the brave?*

"O Canada"

O Canada! Our home and native land!

True patriot love, in all of us command.

With glowing hearts, we see thee rise.

The true north strong and free,

From far and wide, O Canada,

We stand on guard for thee,

God keep our land glorious and

free O Canada; we stand on guard

for thee

O Canada, we stand on guard for thee.

OPENING ODE – RAINBOW CONNECTION

*Why are there so many songs about rainbows and
What's on the other side?*

*Rainbows are visions, but only illusions and
rainbows have nothing to hide.*

So we've told, and some choose to believe it

I know they're wrong, wait and see

Someday we'll find it, the rainbow connection

The lovers, the dreamers and me

CLOSING ODE – YOU'VE GOT A FRIRND

When you're down and troubled

And you need a helping hand

And nothing, nothing is going right

Close your eyes and think of me

And soon I will be there

To brighten up even your darkest night

You just call out my name

And you know wherever I am

I'll come running to see you again

Winter, spring, summer or fall

All you've got to do is call

And I'll be there, yes I will

You've got a friend
