

NAPHIS TEMPLE NO. 66

The Review

DAUGHTERS OF THE NILE <> LINCOLN, NE-

Winter 2022

From Your Queen!

Dear Ladies of the Household,

It is hard to believe my year as Queen of Naphis Temple is coming to a close. On April 10th, we will crown a new Queen to carry on. My journey as Queen has been an exciting and fulfilling one. The love and support of my fellow officers and past queens has made my year as Queen surprisingly easy.

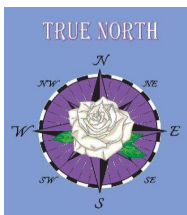

This year we lost several of our past queens, one of whom held a special place in my heart, PQ Evie Rauch. Evie was my cheerleader and oh so supportive of my becoming Queen. I am so glad I had a chance to see her at the soup supper. She will be missed by many, but I'm sure she is wearing her high heels and black hose again in Heaven, and dancing up a storm.

March 12th we will host our Membership with a brunch before our Winter Ceremonial, where we will initiate several new members. I hope to see you there to celebrate our members and to welcome our new members.

As we search for our "True North" remember this; "In life's journey we are often uncertain where we stand, where we are going and what is the right path for us personally. Knowing our true north enables us to follow the right path."

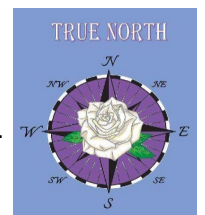

With Nile Love,
Queen Cathy

Naphis Temple No. 66 meets on the fourth Monday of January, February, March, April, May, June, September, October, and November at 7:00 p.m.

These meetings are all held at the Scottish Rite Center Northwest Corner of 16th and L streets in Lincoln, Nebraska. Any changes to the meeting times and/or dates are posted on the website/ Facebook page and E-mailed out to all members of this Temple.

Greetings Naphis Temple No. 66!

Have you seen the Registration Packet for the 106th Supreme Session "A Celebration!" I hope those of you that are thinking about going to Supreme in Dallas, TX have checked out the packet and to those that have never been to Supreme, take a look. Driving to Dallas is easy and it would be a great road trip. Supreme Princess Royal Vickie Hill and the members of Merek Temple No. 104, Waco, TX, have planned a variety of sightseeing events, the opportunity to attend Supreme with several breakout sessions and watching the Units perform including our Temple's Patrol. You can print or read the information at the website www.daughtersofthenile.com/supremesession or ask our Princess Recorder.

Queen Cathy has some fundraisers planned for the members, guests and friends. Bunco is always fun, it is so easy to learn, so bring your friends. I am excited to hear about the Mardi Gras party with Sesostris Shrine. What a marvelous opportunity to join with the Shriners in a joint adventure for fun and fellowship.

Picture of the Past Supreme Queens and Supreme Queen Donna at our Semi-annual Board of Directors meeting In Albuquerque in January. Really was wonderful being with these ladies for the first time in two years.

The East-West Shrine Football game will be held February 3, 2022, in Las Vegas, NV, at the new Raiders Stadium. P.Q. Barb Adkins and I are going to the game, then attend the Supreme Queen's visit and Ceremonial at El Giza Temple No. 139 the next day. I understand many of the Daughters of the Nile are going to both.

As this pandemic continues to rage around us, we need to reach out, making our best effort to keep ourselves and our loved ones safe. If you know someone that is hurting or needs a kind word, reach out, see what you can do to support them. As Daughters of the Nile, we need to stay positive and persevere with determination to our Temple and those we love.

Wow, 2022 has quickly snuck up on us. In reflection of the past year, I'm thankful for all those that supported our events and am excited for the year to come. Supreme Royal Vicki and her team have been working hard on the 106th Supreme Session hosted in Dallas June 12-16, this year's theme is "A Celebration!" Considering we have not had the opportunity to meet in person the last few years, Vicki has created a packed agenda and one heck of a celebration. Registration is open on the Daughters of the Nile website; will you be joining the Wildflowers in Texas?

While the pandemic continues to hurt our community and our temple, I hope you find time this year to come to a stated session or an event or fundraiser. We are always looking for new ways to engage our members, to highlight the efforts of our groups and to reconnect. Reach out if there's anything we can do in 2022.

Signed – your Wildflower Tonya

It seems that 2023 is so far away, but I wanted to share what our Supreme Princess Tirzah has in store for her Supreme Session. I sincerely hope you plan to attend her session, which will be held at the Foxwoods Casino and Resort in Mashantucket, Connecticut. Considered the “premier resort destination of the Northeast”, Foxwoods is the largest resort casino in North America. In addition to six casinos and AAA Four-Diamond hotels, there are several restaurants, including the Hard Rock Café, Guy Fieri’s Foxwood’s Kitchen and Bar, Johnny Rockets, and California Pizza Kitchen. There is also High Rollers Luxury Lanes (bowling) and Sports Lounge, a Topgolf Swing Suite, a zipline, go-karts, championship golf, award-winning spas, state-of-the-art movie theaters, and a Tanger Outlets Mall. All these amenities are offered within the Foxwoods resort, which is just eight miles away from the cute and historic town of Mystic, Connecticut. When you’re not attending session, shopping, or enjoying the entertainment, you can take a harbor cruise aboard an 81-foot traditional sailing ship, shop in local shops, or visit area lighthouses. I know that I can’t wait to attend Supreme 2023, and I hope you plan to attend as well! It’s going to be so much fun!

In closing, as most of you know, I work in Academic Technologies at the University of Nebraska Medical Center. While I do not wear protective gear each day, or work with patients in any regard, I help those who do during this difficult time. Recently, our partner hospital, Nebraska Medicine, enacted their crisis plan for the first time in their history, citing a need to ration care for our community. It’s a very stressful time, and there is still a lot of uncertainty going forward. However, I found comfort in a Japanese proverb I came across the other day on a coworker’s email signature: “A kind word can warm three winter months.” If anything, this trying time in our nation’s collective history has shown us the power of kindness and care for one another. I hope that all of you are safe and taking care of yourself and those you love. More than anything, I hope that you are finding kindness in your daily tasks, and I am looking forward to the time when we can all be safely close together once again.
