The holidays may be over, but there is still plenty of time to enjoy wintery luxuries. May we suggest a delightfully scented candle to brighten your snowy evenings?

Necessities

We love these rustic-looking wooden pines with their hint of snowflakes and a friendly bear ambling by. Pair with a set of our glitter pines for the perfect ski lodge look.

Frost-Proof

Cold temperatures call for layers. Start with a soft cami, add a feminine henley, and top with a snug, plush jacket. And don't forget a matching purse!
