

Technical Rider

Microphone

George's preference for microphone is:

1st choice- Wireless handheld mic w/stand

2nd choice- Wireless lavalier

3rd choice- Countryman style headset mic

Confidence Monitor

George prefers one confidence monitor positioned at the front of the stage, along with a countdown clock beside it.

AV Testing/Soundcheck

A very quick session, as time and agenda allow.

No Podium

George prefers no podium on stage. If one must be present, ideally it can be pushed back so that he may walk in front of it.

Beverage

Please have a bottle of water available on stage.

Note: Speaker can provide presentation slides in advance and will bring a backup on USB to the event.
