Courses		U.S. Grade	Credit Course Code

Notes: Student is eligible to enroll in grade 9 for 2022-2023.

Research Notes:	Grading Scale Used in Evaluation
<p>Enrollment verification (Document-by-Document Evaluation)</p> <p>Students in Jamaica complete their high school coursework at the end of grade 11. The foreign school documents provided indicate that the student completed the equivalent of grade <u>8</u> in the United States and is eligible for enrollment in grade <u>9</u>. Additional research is enclosed in the student's file to validate the aforementioned findings.</p> <p>In conclusion, we recommend that the student is eligible to enroll in a local educational agency. Please note, the enrollment verification provided is based on the foreign school records provided at the time that the verification was completed and is advisory only.</p> <p>The local educational agency, institution, or school official or his/her designee retains the right to revise the recommended placement at any time.</p>	<p>___ Grading Scale from Student Transcript</p> <p>___ AACRAO Edge</p> <p>x NCAA Eligibility Center</p> <p>___ WES</p> <p>___ ScholarPro</p>
