## **Enrollment Verification (Document-by-Document Evaluation)**

Students in Jamaica complete their high school coursework at the end of grade 11. The foreign school document provided (i.e., Form 5/Grade 11 transcript) for **Smith, Jane** shows that the student completed high school prior to requesting to enroll in your local education agency. Research has been enclosed in the student's file to validate the aforementioned findings.

In conclusion, we recommend that the student **is not eligible to be enrolled in local educational agency**. Please be reminded that the enrollment verification provided is based on foreign school records provided at the time that the verification was completed is advisory only. The district/school official or his/her designee retains the right to accept or modify the recommendation listed herein (as long as it falls within the parameters of the aforementioned state law, policy, and guidance) at any time. All revisions to placement take place at the school/district level.
