The Man Who Would Be Moose

### **Trans World International (TWI) - Sports Narration**

Golfing World - 48 Episodes

Audiobook Reviews – Adam Henderson

REPORT FROM ENGINE CO. 82 by Dennis Smith

Dennis Smith's words and experiences are paired well with this reading by native New Yorker Adam Henderson. Henderson renders the struggles, camaraderie, and devotion of these hard-talking, working-class men as they fight fires in one of the worst neighborhoods in New York City in the 1970s. Henderson's performance transports listeners to the scene of each fire. A perfect choice of reader. H.L.S. (c) AudioFile 2003

CEREMONY by Leslie Marmon Silko

A young Native American fights to defeat the demons that have followed him since his return from WWII.... Adam Henderson tackles this novel with the slight singsong rhythm often adopted by traditional storytellers. He vividly personifies this young man, whose pain is almost overwhelming... Henderson expresses the strength and hope of this young man, as well as his pain, and brings this compelling character to life. J.E.M. © AudioFile 2001

AS NATURE MADE HIM : The Boy Who Was Raised as a Girl by John Colapinto

Chivers Audio Books, 2001 / ©2000

Narrator Adam Henderson presents this scientific discussion of the relatively new discipline of understanding gender disorders. He shows how a skilled reader can pleasantly embellish the learning experience... so it is easy to recommend this book for professionals interested in a brief look at this field. J.A.H. © AudioFile 2001, Portland, Maine [Published: AUG/ SEPT 01]

McNALLY'S RISK by *Lawrence Sanders*

There's no risk of boredom here. An entertaining performance is guaranteed. In this latest recording in the Archy McNally series...The comic lines are fast and furious. Adam Henderson plays the understated Archy as both tongue in cheek and exuberant of voice. He delivers not only a perfect Archy, but a host of wacky-voiced characters, as well. A.L.H. © AudioFile 2004, Portland, Maine

## McNALLY'S FOLLY by Lawrence Sanders

This wickedly funny book is read "spot-on" by Adam Henderson. He perfectly matches voices and characters and reads in a tongue-in-cheek, clipped style that lets the listeners know it's all in good fun. With impeccable timing, Henderson exaggerates the drama just enough to drive the point home without overdoing it. S.S.R. © AudioFile 2001,

## McNALLY'S SECRET by Lawrence Sanders

For the reader, the delight of McNally's cases lies less in the plot than in the Dickensian characters he encounters (and beds), his banter with them, and his comments on them. All these are amplified through the sensibility of Adam Henderson... By virtue of his own puckish touch, expressiveness, and verve, he gives a particularly satisfying rendition.
