

The Learning Professionals is providing training for the following 2 programs within the training skills package for -

**MSM31022 - Certificate III in Recreational Vehicle Service & Repair.**

**MSM31122 - Certificate III in Recreational Vehicle Manufacturing.**

These reflects the role of a person/s working at the trade level in a facility that services and repairs recreational vehicles, including motorhomes, campervans, caravans, fifth-wheelers and slide-on campers.

**Skills NSW**  
Start your journey today

Onsite training can be provided remotely at your own workshop or manufacturing plant. Opportunities are available for existing staff to be **UPSKILLED\*** for their trade knowledge via (RPL) Recognition of Prior Learning and can be embedded within the workshop.

Skills NSW **Funding** Available for Manufacturers and Dealer's, where candidates meet the criteria.

\* Some units for these qualifications may have licensing or regulatory requirements depending on the work context. Local regulations should be checked for details.

Conditions will apply, depending on traineeship/apprenticeship eligibility, which will be checked with the local Australian Apprenticeship Support Network (AASN).
